1. We apologize for the misspelling of the word “commutativity” as “commudativity” throughout the manuscript.
2. The sign of the second term in (1,1) element of $\alpha A_1(t)$ on page 555, the third term in (1,1) element of $\alpha A_1^+(x + \zeta^*, \tau)$ on page 563, and the second term in (1,1) element of $\alpha A_1^{++}(x + \zeta^*, \tau)$ on page 564 should be positive.
